

QZAB CyberLearning Academy (QCA)

How the QZAB CyberLearning Academy
Meets the Full Intent of the Qualified
Zone Academy Bond (QZAB) 10% Match
Partner Program

Who we are

- A project of the Non-Profit National Education Foundation (NEF)
- A global leader in bridging the digital and academic divides in the disadvantaged schools
- Best 10% QZAB match to all disadvantaged school districts through our QCA program.
- Our websites:
www.cyberlearning.org
www.qzab.org

About US

Dr. Appu Kuttan

Dr. Laurence Peters

- **Dr. Appu Kuttan- Internationally-known education systems innovator and QZAB 10% match expert**

- **Dr. Laurence Peters- Nationally recognized Authority on QZAB. Directed the QZAB program at the U.S. Dept. of Education and authored the first QZAB guidance.**

Need for QCA

The QCA Program was created at the request of School Superintendents by:

- **Dr. Appu Kuttan- NEF Chairman**
- **Dr. Laurence Peters- NEF Vice President**

QZAB Legislation Requirements

QCA meets the twin requirements

- The match should be at **fair market valuation**
- The matching partner should help the school district to design an **academic program that prepares the students for college and workforce.**

Benefits of QCA: Courses & Mentoring

- Wide selection of **1,600 high quality online courses**
- **24x7 Instant Live Mentoring**
- Test Prep (**SAT** Barrons)
- **IT skills prep that meet NCLB requirement** (ICDL, MOS etc.)
- Study “any time anywhere” with licenses that afford **24x7 access at home and at school.**

Benefits of QCA: NCLB, Reports, Curriculum, College Credits

- Meet **NCLB 8th grade and high school technology literacy goals**
- **Accountability reports with tracking of time spent online as well as progress made and customized NCLB reports**
- **Customized curriculum based on school needs**
- **Earn fully accredited AP college credits for students and professional college credits and CEU credits for teachers**

Why QCA?

Track Record & Expertise

- **Proven track record of success**
Temple University documented 100 point rise in test scores using CyberLearning's online courses.
- **Work with National QZAB and educational experts:**
Dr Appu Kuttan and Dr. Laurence Peters

Why QCA? QZAB Assistance

Assistance with all aspects of the QZAB application including:

1. The 10% match requirement
2. Bank
3. Expert Bond Counsel
4. Help with Curriculum design
5. Professional Development

Why QCA? NCLB Professional Development

- We can help you to utilize 25% of funds Under Title 2 D of **NCLB** for Professional Development in the most efficient manner
- We can help you to satisfy **Govt., School, Parent and Student** needs

Why QCA? Funding Assistance

- We know how **understaffed and over stretched** you are with your funding Program
- We can help and guide you in **securing additional grants and funding**
- We can help improve your School's ranking

Why QCA? Tracking, Testing, Reports, Motivation

- Students and teachers get **individual licenses**, empowering them to learn anytime, anywhere
- You can **track the progress** of each individual **teacher or student**
- You get **customized Reports**
- Learners get **certificates, college credits and other motivational items and rewards**

Dr. Laurence Peters- QCA Director
